- **INSTRUCTIONS**

Draw 2 rectangles of 27 x 42 cm in the felt

Cut from 2 cm around these 2 rectangles.

Define the middle of the aida fabric and put a mark with a pin.

Embroider the design, beginning by the middle of the chart(point of intersection between the 2 black arrows), and follow the chart instructions.

Iron the wrong side of the embroidery

Cut the Aida fabric : final strip width size : 11.5 cm

Put the embroidery on one of the rectangles from 6 cm of the bottom with runningstitches

Place both squares face to face and make stitches on the sides and on the bottom

Make a hem of 4 cm on the top of the bag and then make another sewing at 2 cm from the first one.

Make 2 strings with 4 strands of 2 metres : colour 915

Unpick the sides of the rectangles to put the string in the groove

Tie both ends of the strings with a knot and hide the knot with a pompon.

1 pompon = 2 skeins colour 604.
