## Stitching instructions

Using a compass, trace two circles (5 cm in diameter), two circles (6 cm in diameter) and two circles (8 cm in diameter), and then stitch the design, as shown on the diagram.

Make a knot on the back of the fabric and pass the needle through to the front. Glide the thread underneath the “bridges”, following the design on the grid. To stop, pass the needle through to the back and tie a knot.

## Sewing instructions

Cut out two 45 x 38 cm pieces of black fabric. Make two 2 cm darts, as shown on the diagram, and flatten with an iron. Sew the pieces of black fabric, right sides together. Turn right side out and flatten with an iron. Attach the stitched polka dots to one of the sides of the bag, using running stitches.

For the lining, repeat the steps described above, using the white fabric and without making darts.

Place the two pieces together, one inside the other. Make a hem, and then hand sew the lining to the inside, 0.5 cm from the black fabric, using basket weave stitches.  
Place the two handles onto the bag and attach them with Pearl Cotton.
