Stitching instructions

After sewing the photo album together, place the design onto the fabric, as shown on the photo.

Make a knot on the back of the fabric and pass the needle through to the front. Glide the thread underneath the “bridges”, following the design on the grid. To stop, pass the needle through to the back and tie a knot.

Sewing instructions

Cut out a 60 cm x 30 cm rectangle

Fold the upper and lower sides of the fabric back 4 cm, wrong sides together, along the entire width of the rectangle. Iron.

Make a 1 cm hem at each end. Fold the fabric back 6 cm, right sides together, and stitch to create flaps. Turn right side out and iron.

Make 2 cords (40 cm long) and tie a knot at the end. Pass the cords underneath the flap and through the fabric to hold them in place.
