Fold the teal portion of the clutch in half. Using the tail of your crochet or an extra piece of teal Natura XL, hand sew the teal portion of the clutch up the sides. Leave the white section and folder over for the flap.

Add a tassel if you'd like a bit of flair! Cut two pieces of Natura XL about 6 inches long. Then wrap your chosen color of Natura XL (I chose teal) around 3 of your fingers about 15 times. Take one of the 6" pieces, thread through the yarn and tie in a knot. Take the other 6" piece and wrap around the yarn towards the top a few time and tie in a knot. Cut the thread on the other end to create the bottom of your tassel. Attach to your bag.
