STEP 1

Transfer the designs to the different fabrics.

STEP 2

Place the fabric in the embroidery hoop and tighten. Embroider the design following the pattern using 3 strands of DMC Mouliné Coloris embroidery thread.

- We've used the chain stitch for the word ENJOY with DMC Mouliné Coloris embroidery thread 4509
- We've used parallel rows of stem stitch for LET'S DANCE with DMC Mouliné Coloris embroidery thread 4507
- We've used back stitch and satin stitch for the letter A with DMC Mouliné Coloris embroidery thread 4501

STEP 3

Make sure your fabric is nice and taut. Trim the fabric down to about 1/4 to 1/2 inch from the hoop. While you are cutting just press the fabric down over the Edge of the hoop. Glue the edges of the fabric onto the back of the hoop. Now your hoop is ready to be displayed.
